The Debtors shall consult the official committee of unsecured creditors and the Series B Preferred Holders prior to filing the Conversion Table.

8. Until and to the extent that the Court determines that the US Dollar amount of account holders' cryptocurrency coin balance is relevant in these chapter 11 cases, no party in interest is required to file an objection to a Scheduled claim or a proof of claim that is not stated in US Dollars solely on the basis that such claims should be reflected in US Dollars. All parties in interest's rights are reserved with respect to the allowance or disallowance of any such Scheduled claim or proof of claim and any and all defenses or objections thereto.

9. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
